line as Rs. 27.57 crores with a Rate of return of 0.44%. The survy report is presently under examination in consultation with the Zonal Railway. Further consideration of the project would be possible on the results are finalised.

Dharmavaram-Pakala is a Metre Gauge line. Gauge Conversion of this line to BG has been approved which would be taken up after obtaining the requisite clearance. The conversion would nearly double the capacity of the line since capacity of Broad Gauge is almost twice that of Metre Gauge. Doubling of the converted Broad Gauge is section would be considered if the level of traffic so warrants.

(b)The budgetary allocations provided during 2000-2001 for the above projects are as under:

(i) Gudur-Renigunta doubling-Rs. 17 crores.

(ii) Dharmavaram-Pakala gauge conversion-Rs. 0.10 crore.

(c)Target for completion of these projects has not yet been fixed. However, 25 km. of Gudur-Renigunta doubling are targeted for completion during 2000- 2001.

Ticketless and Without Reservation Travel in Trains
